Let's chat about what you're into, and where you see yourself.

At Goldman Sachs, we believe who you are makes you better at what you do. For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Operations is a dynamic, multifaceted division that partners with all areas of the firm to deliver banking, sales and trading and asset management capabilities to clients around the world. Operations provides essential risk management and controls to safeguard the firm's businesses and client assets. A focus on innovation, change management and process improvement is core to how we ensure the firm is managing its diverse businesses in an efficient and high-quality way.

Join us at our upcoming Operations Career Talk where we will share more about our summer internship, our analyst experiences and the firm's culture!
