

New Student Advising 2022 Checklist

We are looking forward to meeting and advising you for the upcoming Fall semester! As the advising appointment will move quickly, please complete the following steps prior to your appointment.

- Review the University Orientation site at <http://www.baylor.edu/orientation>
- Prepare for your [Advising Appointment](#)
- Review your [Math Course Options](#)
 - Write down which Math course you plan to start with in the Fall – MTH _____
- Review [Chapel Course Options](#)
 - Write down your top two Chapel options for the Fall – CHA _____ or CHA _____
- Review the [Frequently Asked Questions](#) (FAQ's)
- If applicable, have an unofficial college transcript showing which Dual Credit courses you have taken (please note, this needs to be a college transcript and not a high school transcript)
- If applicable, have a list of AP, CLEP, and/or IB Exams taken along with any known exam scores
- Write down any questions you want to ask in your advising appointment
- Verify in [goBaylor](#) that you have no registration holds

Thank you for taking the time to complete this checklist as it will assist in your advising appointment. We look forward to meeting you!
