THE HANKAMER SCHOOL of Business honored the 2024 recipients of the HSB Faculty Awards in April.

Awards are given to faculty members who excelled in the categories of teaching, service and scholarship.

“Our purpose at the Hankamer School of Business is to use our God-given gifts and academic talents to further His kingdom through the realm of business,” said Sandeep Mazumder, PhD, the William E. Crenshaw Endowed Dean. “These awards recognize those in the Business School who are living out that purpose.”

The teaching awards recognize faculty excellence in and beyond the classroom in delivering transformational educational experiences.
